Funding News— SSE Micro-fund which allocates £1500 per year to the Parish has enabled the following groups to set up with small £250 grants. Garden Club, Slimming Club, Mad Hatters Tea Party.

This fund is managed by the Parish Council and to apply please send a letter to the Clerk. If your group is fully constituted or you require more than £250 then you will need to apply to the Full grant schemes. See our website for further information.

Church News -The Village continues to work with the Church to progress the much needed improvements to allow the Church to be open and usable for the wider community to use. Their current project of gaining funding for re-decoration will enable its initial use whilst investigations are ongoing has been picking up speed and we congratulate them on monies already raised. There are a number of events planned please see the noticeboard. It was fantastic to have a full church to welcome the New Vicar and celebrate Harvest Festival

Broadband

We continue to push for a delivery date on this item and have been informed that we are definitely going to be in the next phase for a fixed line solution. We understand the BT are currently modelling this next nationwide phase to advise us when our cabinets will be updated. As soon as we have this information we will post on the Website and Village Noticeboard.
