Health and Safety Policy

Amcotts Parish Council's statement of general policy is:

- In accordance with the Health and Safety at Work Act 1974 and any subsequent Acts of Law to provide adequate control of health and safety risks arising from our activities
- To consult with volunteers, sub-contractors and users on matters affecting their health and safety where appropriate.
- To carry out regular checks on premises, equipment and assets owned or used by the parish council.
- To prevent accidents wherever possible and maintain a log of any incidents and accidents.
- To ensure "Health and Safety" is a permanent agenda item at parish council meetings. This is to enable consideration of any matters in the period between meetings and that any new areas of work are encompassed
