Rob Jollands has taken over as Chair of the group and leads a strong committee of 8 who continue to deliver great activities for the village. During lockdown it has been more difficult but things have still been happening.
The handrail in the church yard has been repaired and paid for by the Parochial Church Council
2. NLC Ward Councillor Update:
Update on ward matters -
The gate across the highway on Trentside has been resolved
FP6 is still with the Secretary of State
Covid vaccinations are starting and people are being seen at Riverside Surgery Brigg
All other areas of the Council are operating on-line where possible with libraries, leisure centres closed for lockdown.

3. Isle North Neighbourhood Action Team (NAT):
The main matters of concern are speeding in Keadby area & Wildlife crime including hare coursing. A number of break-ins for garages. The police ask for all incidents to be reported as they occur either by 101 or on-line rather than wait to report at the NATS meeting.

4. SSE: Update from the windfarm community grants scheme
There is a bid into the current round for Amcotts, a village information board with a “Tiddy Mun trail”, an environment display and a tree sculpture.

Spending of Covid Grant

a.) The clerk presented 3 costings for interactive speed signs; it was thought it might be beneficial to have one at each end of the village to alert people to the fact that they are entering a residential area. b.) Playground - Cllr Horton left the meeting

There is not yet an agreed list of equipment available and this is to be deferred until better weather and will be included in a later SSE grant application round. The resolution to allocate £4,200 from Covid grant is carried forward

78/2020
